

Dear Potential Volunteer

Thank you for your interest in volunteering with The Norman Spruill House Foundation. We recognize that without our committed volunteers our foundation would not be possible. Volunteerism is a rewarding experience, for not only in the lives you will touch but yours as well. As you begin to grow within our foundation in the capacity of being a strong volunteer; the opportunity that you decide to volunteer for, we want you to believe and purpose within yourself that you have decided and will be making a huge difference in the lives of those you reach.

The Norman Spruill House Foundation seeks volunteers who first understand the vision, mission and values that we stand for. We seek volunteers that have the heart of servant-hood in the sensitive communities they are volunteering for. We seek volunteers who must be willing to see the need and go fill it. We seek volunteers who are willing to set standards and raise the bar and do everything in excellence.

What's In It for You?

As you begin to explore and connect with those individuals, families and communities in need and see first-hand what a difference your efforts make. You will be honored, humbled and blessed with a new perspective, a new sense of purpose, another level of confidence and more importantly a DEEPER love and appreciation for those who are in need.
